THE national BROADCASTING ASS. SHOULD UPDATE THEIR RADIO STATIONS TO GIVE US THE SAME KIND OF SERVICE WE GET FROM XM. They should stop trying to ruin a good thing and start trying to join a good thing. THEY KNOW THEIR RADIO STATIONS ARE NO GOOD CAUSE ALL THEY WANT IS THE MONEY THE ADVERTIZING BRINGS IN. THEY AREN'T INTERESTED IN ENTERTAINING, OR MAKING THINGS SAFER FOR THE PEOPLE. The weather and traffic channels on xm could save somebodies life. THEY NEED TO BACK OFF!!!!!!!!!!!!!!!!!!!!!!
